

NORTH GREETWELL Neighbourhood Plan

HAVE
YOUR
SAY!

The success of a Neighbourhood Plan, and by extension the future of the parish, will rely on efforts of everyone in the community regardless of experience or background. It would therefore be fantastic if you can get involved in any capacity you can offer!

Please let us have your view by completing the below form and returning to either one of the designated drop off boxes located:

- adjacent to the Parish Council notice board on the corner of Westfield Drive
- adjacent to the notice board at The Chase playground
- Or email: greetwellnpwg@gmail.com

Please return your completed form by 30th June 2019

- I think North Greetwell **should** have a local plan
- I think North Greetwell **should not** have a local plan
- I would be interested in getting involved in this project as a volunteer - so would like to find out more about what this will involve (Please also complete the skills audit form overleaf)
