50 – 16/17 DISTRICT COUNCILLORS REPORT

DC Mrs Anne Welburn had sent the following report:-

‘August tends to be the holiday month and although WL doesn’t close down it doesn’t hold any committee meetings. The main item for consideration this month is the change to parish rebates and you should have received notification to allow you to adjust your precept accordingly. It might also be worth noting that WL offer a weed spraying service so in view of the withdrawal of the LCC services you might wish to obtain a quote from them if you are commissioning work. The same goes for pest control which although a paid service is competitive with local prices.

This is also an opportunity to give a reminder that there is a paid for green waste collection through the winter months when the free green bins service is suspended through lack of available green waste for collection.

There is a vacancy for an independent representative on the Police and Crime Panel and this will be advertised shortly, application packs will be available from East Lindsey District Council. Lastly although the Combined Authority Questionnaire still has a week to run so far the feedback is positive.’
