To ratify comments forwarded to WLDC:

‘Due to there not being a Parish Council meeting in August this application has not been able to be discussed at a meeting. However under delegated powers I have circulated it to all members and those able to comment state as follows – reiterating the comment made on the previous application:-

- The annex **has not** been occupied as stated in the original application
- Due to the proximity to the neighbouring property there are extreme concerns regarding the driveway arrangements and the turning of vehicles, although these appear to have been addressed it is still of concern
- The floor plan of the annexe appears vague
- **Greetwell Parish Council requests that this application is determined by the full Planning Committee.’**
