## **GREETWELL PARISH COUNCIL NEWS**

**New Member** - The Council welcomes Mr Alex Harris, resident of Lawley Close, as a member of the Parish Council.

**Tackling speed on Wragby Road East – The** Lincolnshire Road Safety Partnership (LRSP) launched the Community Speed Watch (CSW) initiative in 2014 with the aim of enabling residents to tackle local speeding issues. In 2018 there are more than 200 parishes and town councils operating the scheme throughout the county.

Community Speed Watch uses highly visible passive notices (hopefully you have noticed these on Wragby Road East – they have recently been renewed as the previous ones were quite dull and faded).

Now, for the first time, Community Speed Watch members can also register to carry out speed checks in a controlled and authorised manner within their own parish. Registered keepers of vehicles exceeding the speed limit will be sent letters of advice from the police. This scheme could only be operated with assistance from local residents. Any resident who would like to be involved please contact any member of the Parish Council or the Parish Clerk.

The Parish Council has also been supplied with 100 A4 size Wheelie Bin Stickers depicting '40MPH'. If any resident on Wragby Road East would like some to stick on their bins please contact Councillors John Taylor or Sarah Bates. If several residents have these on their bins this should make an impact on Wragby Road East for at least one day each week.

**Seat Westfield Drive – Westfield Drive** – This has been refurbished.

**Tubs on corner of Westfield Drive** – A local resident is kindly tending these tubs.

**Grant** – District Councillor Mrs Maureen Palmer has offered a grant from her Initiative fund to cover the cost of Wheelie Bin Stickers, Toilet hire for the Garden Party and refurbishment of the seat on the corner of Westfield Drive.

**See Saw – The Chase Play Area** – This has had to be removed temporarily due to a broken spring. The Parish Council approved the repair cost of £490 at its July meeting – This payment will come from the Section 106 Agreement monies dedicated to The Chase.

**Date of next meeting** - Monday 3<sup>rd</sup> September 2018 – 7.30pm,  
Old School, Mill Hill, Nettleham. All residents are welcome to attend.

**West Lindsey's leisure contract** came into force on the 1st June. Recently awarded to Everyone Active, the leisure contract will run for a term of fifteen years with the potential to extend this for a further five years. £7.8 million of capital has been secured to support the development of the leisure service which provides for: Refurbishment of West Lindsey Leisure Centre and the introduction of a health and wellbeing hub. A new purpose built dry leisure centre in Market Rasen. A district wide outreach service which will take activities out into local communities and provide support and assistance. Contract outcomes linked to health benefits and closer relations with health professionals.

In addition to a net revenue benefit of £2.47 million the new contract provides a radical transformation of the Council's leisure offering a secure and sustainable position for the leisure service over the next fifteen years.

## **Carers Awareness Award**

The practice has been busy over the last 6 months working towards the Lincolnshire Carer Awareness Award and has successfully achieved the standard required recently.

The staff at the practice have undergone training to help them identify and offer support options to patients who have long term carer commitments. As part of the work undertaken to achieve the award, the practice have introduced carer bags which contain lots of useful contact details and information to help support the work of unpaid carers.

The definition of a carer is:

‘A carer is someone who looks after a relative or friend who due to ill health, physical or mental illness, disability, frailty or addiction cannot manage without help’.

If you are a carer, please make sure that you inform the practice so that we can clearly record on your records and ask for a carer pack when you are next in the practice.
